

KinderTown™

Dear Parents,

Have an iPad? Want to keep your child learning this summer? Check out KinderTown.

KinderTown is a free education app that parents can download onto a portable iOS device to turn an iPad or iPhone into a learning playground for summer.

Follow this recipe for summer learning:

1. Download KinderTown
2. Select your device, child's age, and subject area.
3. Download an app that fits your child's learning style and needs.
4. Enjoy interacting with your child.

Here are our top 5 educational apps for this summer...

Barefoot World Atlas

Learn with Homer

Human Body by Tinybop

ThinkRolls

Motion Math: Hungry Fish

Find out about our Online Family Summer Camp and the latest apps added to KinderTown by signing up for our newsletter. Just email us at sayhello@kindertown.com. You can also ask us questions about KinderTown or give us feedback on your favorite app.

From your friends at Demme Learning, have a wonderful summer of learning!
